During her 1909 European tour, EPJ traveled to Dumfries and on august 16, 1909 "spent the entire day looking up the home of grandmother" [Margaret Gillespie Locke Russell] and her great grandmother [Jeanette Gillespie Murray Locke]. The typescript of EPJ's journal of her European tour that is given hereafter pertains to her day aug. 16 of genealogical research in Dumfries in 1909. This typescript was prepared by Donald Powell. This typescript was prepared by DWP in 1985 when two pages of EPJ's journal were discovered by DWP & SRP in a box
